

THANK YOU FOR YOUR MEMBERSHIP.

We appreciate your business!

**Butler County REC exists to make sure
YOUR needs are met, not to make a profit**

As a member of your electric cooperative, you are an owner of the business and share in the excess margins in the form of patronage dividends.

Your board of directors has elected to set aside \$993,580.67 in excess margins for 2019. These margins—retained as patronage capital—will be used to help keep the cooperative financially sound and the quality of service as high as possible. The funds will also be used to retire debt and build equity in the co-op's distribution system. The board of directors will retire—or pay—those funds when the cooperative's financial condition permits.

June 2020

This year, your cooperative paid back \$1,023,699.39 in patronage for 2001 and Corn Belt Power Cooperative's portion of 2018. These funds were returned in February. Members from 2001 and 2018 with active accounts received their dividends as bill credits. Checks were issued to former cooperative members without active accounts.

We are missing contact information for the former members listed below and have not been able to deliver their patronage refund checks. **Any information regarding their current addresses will be greatly appreciated.**
