

Your monthly billing statement from Butler County REC has a new look!

Over the past several months, our team has been working to improve the bill print to help you better understand your energy use. However, one thing that has not changed is the fee structure. At this time, the rates and fixed monthly costs for co-op members remain the same and are not increasing. No new charges have been added to your monthly statement.

We hope you will agree that this new format is much easier to read and understand. We have provided new information for your needs as a result of our desire to provide our members with the most information possible in the best format.

We value our members and continue to seek ways to better serve them. Please contact our office if you have any questions about the new bill design.

How To Read Your New Bill

Follow the numbers below as a guide to reading your new billing format.

1. Amount due on account.
2. Your account number. Please refer to this number when calling in or making payments.
3. Billing summary shows activity since last billing.
4. Message center for important messages from Butler County REC.
5. Meter number and meter reading information.
6. By following the graph key, you can see monthly usage along with monthly average temperatures. You can compare your usage for the last 12 months.
7. Current detail of charges for electric use.
8. Account number and amount due. Return stub with your check or cash payment.
9. Additional ways to pay. We accept Visa, Mastercard, and American Express.

Please remember to visit us at www.butlerrec.coop and sign up for SmartHub. You can also download the app or use the QR code below. SmartHub is a fast and convenient way to view usage history, report an outage, and manage your account.
